

## Website/Online Resources for PrEP Training

### For Clinicians:

- 1) <https://www.ceitraining.org/>
  - a. Many helpful videos, webinars, and live trainings about STIs, Hep C, HIV, and Prophylaxis
  - b. Free CE (CME, etc)
  - c. For new PrEP Providers, recommend the following videos:
    - i. [Pre-Exposure Prophylaxis](#) presented by Dr. Kwong
    - ii. [PrEP for Women](#) presented by Dr. Blackstock
  - d. Note that transcripts are available for download
- 2) CEInema
  - a. App available for Iphone with algorithms for PrEP and other common situations
  - b. Free
  - c. Find in app store by searching for ceinema. May have to scroll down to find it.
- 3) <http://m.ceitraining.org/>
  - a. Simulation website which will guide you step by step through several situations, including how to manage PrEP patients
  - b. Once on the homepage, click on the simulations tab on the top to the right to start simulations
- 4) <https://www.hivguidelines.org/>
  - a. Developed and continually updated by the AIDS Institute, New York State Department of Health
  - b. Easy-to-use, visually appealing website with a wealth of knowledge on Adult HIV, Mental Health, Adolescent HIV, HCV Care, PrEP, PEP, Substance Use, Pregnancy, and STD testing and treatment for persons living with HIV/AIDS (PLWHA)
- 5) <https://www.naccho.org/programs/community-health/infectious-disease/hiv-sti/prep-1/prep>
  - a. Offers 3 modules covering the science of PrEP, clinical guidelines, PrEP candidates, and examples of implementation
  - b. Geared primarily for health department staff, however, also of value to healthcare providers
- 6) <https://www.hishealth.org/trainings>
  - a. Website offering continuing education trainings specifically dedicated to caring for Black LGBT patients
  - b. Specific content on PrEP for Black MSM (men who have sex with men)
- 7) <https://www.cdc.gov/std/>
  - a. Provides up-to-date information on STIs in America, specifically:

- i. Detailed information on specific illnesses
- ii. Tools to aid in preventing infections
- iii. Trainings for providers and ancillary staff
- iv. Visual aides to demonstrate the effects of STIs to patients
- v. Data and statistics
- vi. Disease-specific treatment guidelines

## **Information for Consumers**

- 8) <https://www.projectinform.org/prep/>
  - a. Website offering a wealth of information for patients seeking PrEP
  - b. Provides useful information for creating pathways to PrEP within larger systems
  - c. Includes materials specifically focused on gay and bisexual men, cisgender women, and transgender women
- 9) <https://www.pleaseprepme.org/>
  - a. Interactive website which allows users to locate a PrEP provider
  - b. Also offers provider resources such as clinical guidelines and access to in-person trainings
